## FACIAL TREATMENTS

### **ORLANE B2I Extraordinaire Facial** ● 1 h 45 minutes CZK 4,900

A unique treatment with the iconic B2I serum. Recommended by leading beauty experts, this treatment will satisfy your needs and desires of the moment. The treatment begins with skin stimulation and oxygenation, followed by toning, regeneration using nervous system stimulation, reprogramming the facial muscle layer and restoring its vital functions. The effect can be enhanced by application of a collagen mask. The final deep nourish-ment brightens your skin and the overall treatment visibly reduces all signs of aging.

### **ORLANE L'anti - Fatigue** ● 90 minutes CZK 3,500

Life's demands can take a toll on our skin—whether it's lack of sleep, exposure to pollution, harsh UV rays, or the weight of stress and emotions. Over time, our skin's natural defenses weaken, hindering its ability to recover effectively. Skin fatigue becomes a silent accelerator of aging. Enter Orlane Laboratories' groundbreaking Absolute Anti-Fatigue program. This rejuvenating treatment infuses the skin with vital energy and essential elements, recharging it from within. The results? A smoother, revitalized complexion that radiates newfound luminosity.

### **ORLANE Moisturizing Super Global** ● 90 minutes CZK 3,500

An intensive hydration treatment, ideal for dehydrated skin or skin subjected to extreme climatic conditions. It restores your skin's moisture balance and maintains optimal hydration levels. Additionally, it protects and insulates your skin, leaving it feeling rejuvenated.
